The Sutra on Upasaka Precepts sets forth the moral code to be observed by lay followers of Buddhism. It comprehensively elucidates the content, practice, and essence of the moral code to be observed by lay bodhisattvas and emphasizes the importance of the bodhisattva practice of lay Buddhists. The aspiration of the laity for enlightenment is said to be superior to the fruition of the practice of both sravakas and pratyekabuddhas. At the end of each chapter, the sutra concludes that lay bodhisattvas encounter more difficulties in following the precepts than ordained bodhisattvas. As such, their observance of the precepts is highly praised in the sutra.

The spiritual training of a Buddhist comprises the Three Learning: precepts, meditation, and wisdom. Observance of precepts is the foundation of one□s spiritual journey to Buddhahood. Classified into three clusters□restraining precepts, precepts for doing good dharmas, and precepts for benefiting sentient beings□Bodhisattva precepts are called the three clusters of pure precepts. This book, Rulu□s third, presents seven sutras in English, all translated from texts in the Chinese Buddhist Canon. Five of these seven English translations have never before been published in book form. Sutras 1 and 2 cover the ten good karmas; Sutra 3 teaches repentance of sins; Sutra 4 expounds the Mahayana Vinaya; Sutras 5□7 each contain time-honored Bodhisattva precepts. Sutra 6 is the well-known Brahma Net Sutra; Sutra 7, Sutra of the Upasaka Precepts, also covers the six paramitas in detail. Buddhist terms are explained in the glossary. The translator□s introduction presents sets of Buddhist precepts and describes the arrival of the Hinayana Vinaya in China. It explains the development of the Vinaya School, a Mahayana school originated in China, and summarizes its tenets. It compares voice-hearer precepts with Bodhisattva precepts, and discusses five texts of the latter. It also touches on selecting those Bodhisattva precepts that suit our modern times. Such precepts will be fewer in number but complete in spirit. Buddhist or non-Buddhist, those who seek to benefit themselves and others need to learn and observe such Bodhisattva precepts.

A Summary of the Dull Bird versus the Bright Tortoise aims to highlight the fact that the essence of realization of both Huatou Chan and Mozhao Chan propagated by Chan Masters Dahui and Tiantong, respectively, shares the same goal of realizing the eighth consciousness, tath¿gatagarbha, as the essence of attainment. They became lifelong best friends as their same realization is the eighth consciousness. This excerpt serves to clarify some false records regarding Chan Master Dahui Zonggao.

This rare sutra, ancient but timely, has long been treated with circumspection because of its liberal attitude toward sexuality and other ethical concerns. One of the original statements of the early Mahayana School, it is here collated from Chinese and Tibetan translations, and from passages that remain in the original Sanskrit. Originally part of a larger sutra on the six perfections that included the well-known perfection of Wisdom sutra, the Skill in Means sutra explicates the other five perfections of the bodhisattva. The translator has traced its source to verses of the Ratnagunasamcaya-gatha that have no counterpart in the Perfection of Wisdom. The Skill in Means is also found as part of the Ratnakuta collection of sutras, under the title The Question of Jnanottara`.In Part One, this Sutra establishes the liberal, even anti-monastic observance of Bodhisattva ethics, especially in matters of sexual involvement, introducing `skill in means` into the fabirc of Buddhist ethical life. Parts Two and Three constitute a reinterpretation of the life of the Buddha, demonstrating his motivation by `skill in means`; this is a primary source for the Buddhology of the Mahayana.The older and newer versions are translated side by side; extant Sanskrit passages are included. An introduction places the text in historical and literary prospective. There are copious notes, indexes and a bibliography.

A concise guide to the key practice systems of the East Asian Meditational schools Ch'an, Son, and Zen.

The rationale for Humanistic Buddhism derives directly from the Buddha, "because the Buddha was born, cultivated the path, became enlightened, and strived to enlighten others in this world." It is with this understanding that Venerable Master Hsing Yun proceeds to elaborate on the many ways in which the Buddha's teachings can guide us through challenges in life. In doing so, he affirms the basic spirit of Humanistic Buddhism that centers on the conviction that the Dharma is of crucial pertinence to humanity. Humanistic Buddhism is a book that not only embodies this spirit, but also discusses how it can be infused in life. As a "blueprint" of sorts for conduct and ethics, it is a handy manual for guiding us, as well as a lucid exposition of some of the main tenets in Buddhism. Through illuminating examples and references to Buddhist teachings, Venerable Master Hsing Yun provides insights into many facets of the human condition. He shows how emotions, ethics, family, society, government, and the environment are all areas for contemplation and cultivation. In short, what Humanistic Buddhism reminds us of is that Buddhism is part of life, not separate from it.

Complete Enlightenment is the first authoritative translation and commentary on The Sutra of Complete Enlightenment, a central text that shaped the development of East Asian Buddhism and Ch'an (Chinese Zen). The text is set in the form of a transcription of discussions between the Buddha and the twelve enlightened beings(bodhisattvas), who question him on all aspects of spiritual practice. This new translation preserves all the liveliness and nuance of the text in the original Chinese. The sutra's ancient wisdom is brought to life by the commentaries of Master Sheng Yen, one of the most revered living Buddhist masters in the Ch'an lineage. This is truly a manual for the spiritual journey toward complete enlightenment, providing the key to the deep, poetic, and practical meanings of the scripture.
