50HP Outboard for sale | eBay

The Mercury 50 hp outboard motor has an electric starter. The engine's ignition provides the starter with an electric spark advance. A 10 amp alternator provides the Mercury 50 hp outboard motor with power once started. The outboard is set up for remote steering, allowing the driver of the boat to be closer to the middle of the craft.

50 HP Mercury Outboard Specifications | It Still Runs

Mercury outboard motors are very popular among boating enthusiasts. Mercury offers a full line of motors with varying degrees of power output. Mercury engines are already quite efficient and it can be difficult to increase the power significantly; however, there are a number of ways to pull out incremental power from the motor. The amount of power that can be increased is directly proportional ...
