But even as Dr. Frank Mason North, of New York, says in his immortal poem, so Mr. Tozer says in this book: Above the noise of selfish strife We hear Thy voice, O Son of Man. My acquaintance with the author is limited to brief visits and loving fellowship in his church.

Pursuit of God by A.W. Tozer

etting God right is of paramount importance. "No people has ever risen above its religion, and...no religion has ever been greater than its idea of God." (p.

Many people believe in God and believe that God is everywhere, but they have yet to experience his presence. Delighting in God is the message Tozer intended to be the follow-up to 'The Knowledge of the Holy'. He demonstrates how the attributes of God—those things God has revealed about himself—are a way to understand the Christian life of worship and service. We are here to serve and adore him, but we can only fulfill that role by acknowledging who he is, which is the essence of the Christian life and the source of all our fulfillment, joy, and comfort. To understand who we are, we need to understand who God is. His very character and nature are reflected through us. Unless we fully grasp who we are, we'll never become all God wants us to be.

An Inspiring Classic on the Nature of God What is the nature of God? How can we recapture a real sense of God's majesty and truly live in the Spirit? This beloved book, a modern classic of Christian testimony and devotion, addresses these and other vital questions, showing us

how we can rejuvenate our prayer life, meditate more reverently, understand God more deeply, and experience God's presence in our daily lives. Informative and inspiring, The Knowledge of the Holy illuminates God's attributes'from wisdom, to grace, to mercy'and shows through prayerful and insightful discussion, how we can more fully recognize and appreciate each of these divine aspects. This book will be treasured by anyone committed to the Christian faith. It bears eloquent witness to God's majesty and shows us new ways to experience and understand the wonder and the power of God's spirit in our daily lives.

In The Best of A.W. Tozer Book Two Warren W. Wiersbe says "Happy is the Christian who has a Tozer book handy when his soul is parched and he feels God is far away. A.W. Tozer wrote with a passion that sprang up from a soul a thirst for God. He was not afraid to expose man's frailties, nor was he hesitant to reveal what God and His sovereignty can do for those who seek Him". This collection of 44 more chapters from the "best of Tozer" covers the major themes of his writings and captures the message Tozer so passionately taught and lived: Surrender to Christ, get to know God personally, and grow to become like Him. Perhaps this explains their wide circulation and lasting influence. Also Available: The Best of A.W. Tozer Book One.

"True and absolute freedom is only found in the presence of God."--A.W. Tozer Deep in the soul of every person on earth is a longing for the presence of God. But how do we get there? Experiencing the Presence of God is a never-before-published collection of teachings from A.W. Tozer on the book of Hebrews that shows us the way. Tozer, the renowned pastor and theologian, challenges our status quo, invites us to explore a fresh understanding of what it means to dwell in God's presence, and leads us to experience the divine fulfillment for which we were created! As Tozer says, "We should come to church not anticipating entertainment but expecting the high and holy manifestation of God's presence. . . . Worship is not some performance we do, but a presence we experience." Come alongside Tozer and enter into God's presence right now.

True religion confronts earth with heaven and brings eternity to bear upon time. The messenger of Christ, though he speaks from God, must also, as the Quakers used to say, "speak to the condition" of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation. This book is packed with truth, giving the insight on how the Holy Spirit is the power behind the Church, the Christian life,

The best of A. W. Tozer, on one of his favorite subjects Few subjects invigorated A. W. Tozer like the topic of worship. He saw it—like the church has traditionally—as the sole reason for which creation exists. *Worship: The Reason We Were Created* features collections from the beloved spiritual writer on this important topic. The church's current worship is emaciated; its thoughts of God are too low. Here is a compilation to raise those thoughts high once more, and provoke the church to true, spiritual worship. Topics include: The act and object of worship The Presence of God Worship throughout the week Feelings and emotion in worship Man as a worshipping creature If it's true that we are made to worship God, that it is the sole reason that we exist, that we are most alive when we live for His glory, then reading *Worship* is more than time well spent. It is time invested in the very foundation of your life.

"The following pages represent the gist of a series of sermons given on successive Sunday evenings to the congregation of the church of which I am pastor. The fact that these were originally spoken messages accounts for their racy style and for the personal references which occur in them occasionally. Had I been writing the messages I should have exercised greater care in the composition. The subject is,

however, so vitally important that I feel sure the reader will pardon the offhand style of the language. The truth is always good even when the vehicle in which it rides is homely and plain."

People came from all over to hear his sermons because they knew they would go home more in awe of God. That's why millions keep coming back to his writings, but particularly these three books. Considered to be Tozer's greatest works, Knowledge of the Holy, The Pursuit of God, and God's Pursuit of Man are now available in a single volume. In 3 Spiritual Classics, you will discover a God of breathtaking majesty and world-changing love, and you will find yourself worshipping through every page.
