Blaze is a novel by American writer Stephen King, published under the pseudonym of Richard Bachman. King announced on his website that he "found it" in an attic. In fact (as mentioned in the afterword of Different Seasons) it was written before Carrie and King offered the original draft of the novel to his Doubleday publishers at the same time as 'Salem's Lot.

A fellow named Richard Bachman wrote Blaze in 1973 on an Olivetti typewriter, then turned the machine over to Stephen King, who used it to write Carrie.

Stephen King | Blaze

Richard Bachman is back from the dead with this surprisingly touching tale of high crime and low criminals. For those unaware, Bachman is a pen name that Stephen King secretly used long ago. The book is more Bachman than it is King, however, though King does leave the occasional fingerprint. The novel is well written and well paced.

Book Review - Blaze by Stephen King writing as Richard Bachman

Once upon a time, a fellow named Richard Bachman wrote Blaze on an Olivetti typewriter, then turned the machine over to Stephen King, who used it to write Carrie.

Blaze by Stephen King, Paperback | Barnes & Noble®

Bachman name is on it because it's the last novel from 1966-1973, which was that gentleman's period of greatest productivity. During those years I was actually two men.

Richard Bachman was Stephen King's other writing name for his non-supernatural work before he finally hit it big with "Carrie." The manuscript of "Blaze" sat in a university library until King rewrote it decades later.

Master storyteller Stephen King (writing as Richard Bachman) presents this gripping and remarkable New York Times bestselling crime novel about a damaged young man who embarks on an ill-advised kidnapping plot—a work as taut and riveting as anything he has ever written. Once upon a time, a fellow named Richard Bachman wrote Blaze on an Olivetti typewriter, then turned the machine over to Stephen King, who used it to write Carrie. Bachman died in 1985 (—cancer of the pseudonym—), but this last gripping Bachman novel resurfaced after being hidden away for decades—an unforgettable crime story tinged with sadness and suspense. Clayton Blaisdell, Jr., was always a small-time delinquent. None too bright either, thanks to the beatings he got as a kid. Then Blaze met George Rackley, a seasoned pro with a hundred cons and one big idea. The kidnapping should go off without a hitch, with George as the brains behind their dangerous scheme. But there's only one problem: by the time the deal goes down, Blaze's partner in crime is dead. Or is he?

Originally published: New York: New American Library, 1981.

Con la ayuda de un muerto, Blaze ha logrado perpetrar el crimen del siglo. Clay Blaisdell, llamado Blaze por todos, mide dos metros y pesa ciento treinta y seis kilos. Es un verdadero gigante. Sin embargo, hasta conocer a George Rackley nunca había hecho nada grande. George le enseñó cien maneras de estafar a

la gente e ideó para él un plan ambicioso: secuestrar a un niño rico. La familia Gerard es multimillonaria y el nuevo retoño del clan valdrá muchos de estos millones. Solo hay un problema: cuando llega el momento de ponerlo todo en marcha, George, el cerebro de la operación (y de todo lo que hacen), muere. O quizá no. Por eso Blaze se encuentra huyendo desesperado de una tormenta y de la policía. Ha conseguido raptar al bebé, pero el secuestro se ha convertido en una carrera contrarreloj a través de los bosques infernales de Maine...

But there's only one problem: by the time the deal goes down, Blaze's partner in crime is dead. Or is he? Includes a previously uncollected story, "Memory" -- the riveting opening to Stephen King's new Scribner hardcover novel, Duma Key.

Life on Poplar Street seems idyllic, but before the sun sets on this summer day, the quiet Ohio suburb will become a terrifying slaughterhouse.

Master storyteller Stephen King presents the classic [wondrously frightening] (Publishers Weekly) #1 New York Times bestseller about a writer's horrific and haunting pseudonym. [I'm back...I'm back from the dead and you don't seem glad to see me at all, you ungrateful son of a bitch.] After thirteen years of international bestseller stardom with his works of violent crime fiction, author George Stark is officially declared dead [revealed by a national magazine to have been killed at the hands of the man who created him: the once well-regarded but now obscure writer Thad Beaumont. Thad's even gone so far as to stage a mock burial of his wildly successful pseudonym, complete with tombstone and the epitaph [Not a Very Nice Guy.] Although on the surface, it seems that Thad can finally concentrate on his own novels, there's a certain unease at the prospect of leaving George Stark behind. But that's nothing compared to the horror about to descend upon Thad's new life. There are the vicious, out-of-control nightmares, for starters. And how is he able to explain the fact that everyone connected to George Stark's untimely demise is now meeting a brutal end of their own in a pattern of homicidal savagery...and why each blood-soaked crime scene has Thad's fingerprints all over it? Thad Beaumont may have once believed that George Stark was running out of things to say, but he's going to find out just how wrong he is...

After an almost fatal car crash, novelist Paul Sheldon finds himself being nursed by a deranged fan who holds him captive.
