3. Be willing to disqualify people. 2. Use Tools. Network marketing isn't just about getting more sign ups, it's about duplication. So use, tools. If you sign up someone, and it has to do with your charisma, your personality, your connection to them, then you're not very duplicatable. You need to point them to a tool.

With this closing methodology, you will get more prospects to sign up because you are listening to what they want. Don't tell your prospects what to expect with Network Marketing. You may be pitching that they can earn \$10000 a month, when all they want is \$1,000 to help them put one kid through college or pay off a credit card debt. The most successful people in Network Marketing listen to what their prospects actually want, and then show them how those dreams can be fulfilled.

The definition of closing in Network Marketing is simply to help the prospect get ready for the close. One Network Marketing blog suggests the definition of closing in Network Marketing is to force people into a close. I highly suggest you don't do that. Why would you do that when other options more easily work?
