KZW113 | Foundations for Social Work Practice

Social workers work with a number of people at any one time. This is often referred to as a caseload. Day-to-day work involves assessing people's needs, strengths and wishes, working with individuals and families directly to help them make changes and solve problems, organising support, making recommendations or referrals to other services and agencies, and keeping detailed records.

What do social workers do?

The earliest example of social work as a form of collective social action in Britain can be found in the work of the Settlement Movement, established by Canon Barnett in the 1880s. The Settlement Movement was underpinned by a HISTORY AND DEVELOPMENT OF SOCIAL WORK43.

The History and Development of Social Work

This course explores social issues confronting the state, social welfare agencies and social workers in addressing and responding to inequalities and human need. Students will also be introduced to the roles and fields of practice of Social Work in Canada and the values and ethics that guide the profession.
