In this latest edition of our long-running series, we'll tell you about the first car to have a V8, to have reversing lights, air conditioning, and even that tiny but oh-so-useful arrow which ...

Cooper demonstrates how the lure of the open air, from rooftop schoolrooms to open-air theaters to the front porch, challenged air conditioning. Americans were slow to give up the social rituals of hot-weather living - the cold drink, the cool clothes, the summer vacation - for the comforts of either the window air conditioner or the central system.
