Katherine Arden's bestselling debut novel spins an irresistible spell as it announces the arrival of a singular talent with a gorgeous voice. "A beautiful deep-winter story, full of magic and monsters and the sharp edges of growing up." —Naomi Novik, bestselling author of *Uprooted* Winter lasts most of the year at the edge of the Russian wilderness, and in the long nights, Vasilisa and her siblings love to gather by the fire to listen to their nurse's fairy tales. Above all, Vasya loves the story of Frost, the blue-eyed winter demon. Wise Russians fear him, for he claims unwary souls, and they honor the spirits that protect their homes from evil. Then Vasya's widowed father brings home a new wife from Moscow. Fiercely devout, Vasya's stepmother forbids her family from honoring their household spirits, but Vasya fears what this may bring. And indeed, misfortune begins to stalk the village. But Vasya's stepmother only grows harsher, determined to remake the village to her liking and to groom her rebellious stepdaughter for marriage or a convent. As the village's defenses weaken and evil from the forest creeps nearer, Vasilisa must call upon dangerous gifts she has long concealed—to protect her family from a threat sprung to life from her nurse's most frightening tales. Praise for *The Bear and the Nightingale* "Arden's debut novel has the cadence of a beautiful fairy tale but is darker and more lyrical." —The Washington Post "Vasya [is] a clever, stalwart girl determined to forge her own path in a time when women had few choices." —The Christian Science Monitor "Stunning . . . will enchant readers from the first page. . . . with an irresistible heroine who wants only to be free of the bonds placed on her gender and claim her own fate." —Publishers Weekly (starred review) "Utterly bewitching . . . a lush narrative . . . an immersive, earthy story of folk magic, faith, and hubris, peopled with vivid, dynamic characters, particularly clever, brave Vasya, who outsmarts men and demons alike to save her family." —Booklist (starred review) "An extraordinary retelling of a very old tale . . . *The Bear and the Nightingale* is a wonderfully layered novel of family and the harsh wonders of deep winter magic." —Robin Hobb

The play focuses on the lives of three sisters, Olga, Masha, and Irina, young women of the Russian gentry who try to fill their days in order to construct a life that feels meaningful while surrounded by an array of military men, servants, husbands, suitors, and lovers, all of whom constitute a distractions from the passage of time and from the sisters' desire to return to their beloved Moscow.

"I believe that man will not merely endure: he will prevail. He is immortal, not because he alone among creatures has an inexhaustible voice, but because he has a soul, a spirit capable of compassion and sacrifice and endurance." —William Faulkner, on receiving the Nobel Prize *Go Down, Moses* is composed of seven interrelated stories, all of them set in Faulkner's mythic Yoknapatawpha County. From a variety of perspectives, Faulkner examines the complex, changing relationships between blacks and whites, between man and nature, weaving a cohesive novel rich in implication and insight.

Fiona Sweeney wants to do something that matters, and she chooses to make her mark in the arid bush of northeastern Kenya. By helping to start a traveling library, she hopes to bring the words of Homer, Hemingway, and Dr. Seuss to far-flung tiny communities where people live daily with drought, hunger, and disease. Her intentions are honorable, and her rules are firm: due to the limited number of donated books, if any one of them is not returned, the bookmobile will not return. But, encumbered by her Western values, Fi does not understand the people she seeks to help. And in the impoverished small community of Mididima, she finds herself caught in the middle of a volatile local struggle when the bookmobile's presence sparks a dangerous feud between the proponents of modernization and those who fear the loss of traditional ways.

"A devoted and brilliant achievement." *The New York Review of Books* In 1948, as civil war ravaged Greece, children were abducted and sent to communist "camps" behind the Iron Curtain. Eleni Gatzoyiannis, 41, defied the traditions of her small village and the terror of the communist insurgents to arrange for the escape of her three daughters and her son, Nicola. For that act, she was imprisoned, tortured, and executed in cold blood. Nicholas Gage joined his father in Massachusetts at the age of nine and grew up to be a top investigative reporter for the *New York Times*. And finally he returned to Greece to uncover the story he cared about most -- the story of his mother's heroic life and tragic death.

Heinrich involves us in his quest to get inside the mind of the raven. But as animals can only be spied on by getting quite close, Heinrich adopts ravens,

thereby becoming a "raven father," as well as observing them in their natural habitat. He studies their daily routines, and in the process, paints a vivid picture of the ravens' world. At the heart of this book are Heinrich's love and respect for these complex and engaging creatures, and through his keen observation and analysis, we become their intimates too. Heinrich's passion for ravens has led him around the world in his research. *Mind of the Raven* follows an exotic journey—from New England to Germany, and from Montana to Baffin Island in the high Arctic—offering dazzling accounts of how science works in the field, filtered through the eyes of a passionate observer of nature. Each new discovery and insight into raven behavior is thrilling to read, at once lyrical and scientific.

In this “ extraordinary family memoir, ” * the National Book Award – winning author of *The Future Is History* reveals the story of her two grandmothers, who defied Fascism and Communism during a time when tyranny reigned. *The New York Times Book Review In the 1930s, as waves of war and persecution were crashing over Europe, two young Jewish women began separate journeys of survival. Ester Goldberg was a rebel from Bialystok, Poland, where virtually the entire Jewish community would be sent to Hitler ’ s concentration camps. Ruzya Solodovnik was a Russian-born intellectual who would become a high-level censor under Stalin ’ s regime. At war ’ s end, both women found themselves in Moscow. Over the years each woman had to find her way in a country that aimed to make every citizen a cog in the wheel of murder and repression. One became a hero in her children ’ s and grandchildren ’ s eyes; the other became a collaborator. With grace, candor, and meticulous research, Masha Gessen, one of the most trenchant observers of Russia and its history today, peels back the layers of time to reveal her grandmothers ’ lives—and to show that neither story is quite what it seems. Praise for Masha Gessen “ One of the most important activists and journalists Russia has known in a generation. ” —David Remnick, *The New Yorker* “ Masha Gessen is humbly erudite, deftly unconventional, and courageously honest. ” —Timothy Snyder, author of *On Tyranny*
