Funding Community Practice: Stage 1
| American Journal of ...

Occupational therapy practice in community settings is broad, and programs are unique to each community and practitioner working in the community. Occupational therapy interventions move “beyond the individual treatment of a client to working with systems that affect the ability of an individual or group to achieve work, leisure, and social goals” (Brownson, 1998, p. 61).

Occupational Therapy's Role in
Community Mental Health. Download
a printable copy of this fact sheet here.
The origins of occupational therapy
are rooted in mental health, as the
creation of the profession dovetailed
with the early 20th century's mental
hygiene movement. With the call for
deinstitutionalization of individuals with
mental illness, which culminated in the
1963 Community Mental Health Act,
occupational therapists and
occupational therapy assistants began
working in community ...
