Reserve Bank of India – Press Releases
We have not yet made a decision on whether to introduce CBDC. In March 2020 we published our Discussion Paper on CBDC, which outlines one possible approach to the design of CBDC and asks for feedback from the payments industry, academics, and other interested parties. CBDC could create new opportunities for payments and the way the Bank keeps prices and the whole UK financial system stable.

such research, the One Bank Research Agenda is accompanied by the publication of a supporting Discussion Paper giving more details of the research themes, the release of new data sets, and the launch of new research and data

One Bank Research Summary
The increase in the dollar liquidity provision is mainly financed by reducing excess reserve balances at the Federal Reserve. Intra-firm transfers between depository institutions and broker-dealer subsidiaries within the same bank holding company are crucial to this type of “reserve-draining” intermediation. Finally, we discuss factors that contributed to the repo spike in September 2019 and ...
