The beginning focuses on arriving populations which affected the language and religions of Britain. After that the focus is on the development of the Monarchy, church and Parliament. Major battles and significant periods are covered, including the civil war, the industrial revolution and the Empire. There is a lot of information about WWI and WWII and after WWII the chapter focuses on the governments of the UK and devolution in Northern Ireland, Wales and Scotland.

This book introduces readers to the fascinating Frederick Douglass, a man born a slave. Douglass taught himself to read, then escaped from slavery to become one of the abolitionist movement's greatest leaders. In addition to telling the story of his life, this biography examines the evolution of his thought and his changing relationships with contemporaries such as William Lloyd Garrison and Abraham Lincoln. Featuring intriguing details about the period before, during, and just after the Civil War, this compelling and inspiring read is rounded out by a liberal use of primary sources.

Gabriel's Rebellion tells the dramatic story of what was perhaps the most extensive slave conspiracy in the history of the American South. Douglas Egerton illuminates the complex motivations that underlay two related Virginia slave revolts: the first, in 1800, led by the slave known as Gabriel; and the second, called the 'Easter Plot,' instigated in 1802 by one of his followers. Although Gabriel has frequently been portrayed as a messianic, Samson-like figure, Egerton shows that he was a literate and highly skilled blacksmith whose primary goal was to destroy the economic hegemony of the 'merchants,' the only whites he ever identified as his enemies. According to Egerton, the social, political, and economic disorder of the Revolutionary era weakened some of the harsh controls that held slavery in place during colonial times. Emboldened by these conditions, a small number of literate slaves--most of them highly skilled artisans--planned an armed insurrection aimed at destroying slavery in Virginia. The intricate scheme failed, as did the Easter Plot that stemmed from it, and Gabriel and many of his followers were hanged. By placing the revolts within the broader context of the volatile political currents of the day, Egerton challenges the conventional understanding of race, class, and politics in the early days of the American republic.

Combining the scholarly with the personal, this innovative introduction by an internationally renowned Islamicist gives the reader an insight into the history, traditions and beliefs of Islam. Taking his own spiritual journey as a starting point, Professor Ayoub explores all aspects of Islam; from the Qur'an and Islamic law to the epic poetry of the Sufis; from the spread of Islam worldwide to reform movements in the US and Europe.

In this book, Hoover expounds and vigorously defends what has come to be called American exceptionalism: the set of beliefs and values that still makes America unique. He argues that America can make steady, sure progress if we preserve our individualism, preserve and stimulate the initiative of our people, insist on and maintain the safeguards to equality of opportunity, and honor service as a part of our national character.

Kaplan's AP U.S. History Prep Plus 2020 & 2021 is revised to align with the latest exam. This edition features hundreds of practice questions in the book and online, complete explanations for every question, and a concise review of high-yield content to quickly build your skills and confidence. Test-like practice comes in 3 full-length exams, 18 pre- and post-chapter quizzes, and 9 online quizzes. Customizable study plans ensure that you make the most of the study time you have. We're so confident that U.S. History Prep Plus offers the guidance you need that we guarantee it: after studying with our online resources and book, you'll score higher on the exam—or you'll get your money back. The College Board has announced that the 2021 exam dates for AP U.S. History will be May 6, May 19, or June 2, depending on the testing format. (Each school will determine the testing format for their students.) To access your online resources, go to [kaptest.com/moreonline](https://kaptest.com/moreonline) and follow the directions. You'll need your book handy to complete the process. Expert Guidance We know the test—our AP experts make sure our practice questions and study materials are true to the exam. We know students—every explanation is written to help you learn, and our tips on the exam structure and question formats will help you avoid surprises on Test Day. We invented test prep—Kaplan ([kaptest.com](https://kaptest.com)) has been helping students for 80 years, and 9 out of 10 Kaplan students get into one or more of their top-choice colleges.
