The 7 irrefutable rules of small business growth - Steven ...

The 7 Irrefutable Rules of Small Business Growth Steven S. Little. As most good business books most of the things revealed on this one seem very common sense after the author explains them. Being involved in the tasks and responsibilities of the every day of the entrepreneur makes those "common sense" guidelines not so common sense. This book ...

The 7 Irrefutable Rules of Small Business Growth | Steven ...

In fact, it's Rule #7 of the book's irrefutable rules. The author talks about the need to listen to "weak signals" around you of what is happening: new ideas, new styles, new products. He even suggests that every business owner needs to read 50 magazines a month (or web sites, newspapers, research reports, or other sources of information).
