the altered genesis of man and his aggressive nature for self-fulfillment, it will also teach of man's forced dominance of women and the abusive, unequal treatment inflicted upon them from the beginning to this day. Then the last but the most important lesson of all is the nature of this world and the destructive imbalance that has been caused by man. And within the imbalance of man and nature, Gabriel must learn how this balance can be restored. The ecological problems with the planet are at the heart of this imbalance. As Gabriel learns what's needed to start the reversal of all the damages, he learns the
